EDUCATION

Dwarkadas J. Sanghvi College of Engineering

Mumbai, Maharashtra, India

B.Tech in Artificial Intelligence & Data Science **CGPA: 8.8975**

2022 - 2026

TECHNICAL SKILLS

Programming Languages: JavaScript, TypeScript, Python, C++, C, HTML, CSS, SQL, Java

Libraries and Tools: ReactJS, Node.js, Tailwind CSS, Express, Socket.io, Git, GitHub, Jupyter, Figma, TensorFlow

Databases: MongoDB, MySQL, Firebase

EXPERIENCE

UltraTech Cement Ltd. – Frontend Developer Intern

Jun 2024 – Aug 2024

- Developed the frontend of the Gen AI CV Analyzer SkillSpotter including creating the dashboard, the different pages, implementing frontend logic with React, Tailwind CSS, and ensuring cross-browser compatibility and responsiveness.

PROJECTS

Synchronous – Messaging Website:

- Engineered a full-stack real-time communication platform utilizing ReactJS, NodeJS, ExpressJS, and MongoDB.
- Integrated Socket.io technology to facilitate instantaneous bidirectional data exchange between users.
- Architected a scalable backend infrastructure and crafted an intuitive frontend interface, optimizing overall system performance and user experience using Tailwind CSS and Shadcn.

Movie Recommendation System:

- Tech Stack: Jupyter Notebook, Python, ML, Sci-kit Learn, Pandas, Numpy
- Utilized data visualization to analyze user preferences and identify patterns.
- Selected and trained recommendation models (collaborative filtering, content-based).

POSITIONS OF RESPONSIBILITIES

- **Vice Chairperson (Admin)** at DJS NSDC
- **Secretary** at DJS InfoMatrix
